

NOTICE OF DECISION UNDER REGULATION 32 FILM POSTERS

VIDEO SLICK

TO: The Film and Video Labelling Body Inc.
PO Box 2627
Ponsonby
Auckland

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Teeny Exzesse: Nympho Darlings

is **Not Approved.**

The video slick is not approved because if it were submitted under s13 of the Films, Videos and Publications Classification Act 1993 (FVPC Act) it would be deemed objectionable.

One of the images on the video slick depicts the use of urine in association with sexual conduct. The video slick is designed to promote the associated video recording, and to attract viewers by the display of sexual images intended for entertainment and sexual titillation. The manner in which the urination is depicted as part of sexual conduct is intended to be arousing, and the slick therefore promotes and supports the use of urine in association with sexual conduct. If the slick were submitted for classification under the FVPC Act, it would be deemed objectionable, and is thus not approved. The result limits the freedoms expressed in s14 of the New Zealand Bill of Rights Act, but this is a limit that is prescribed by law.
